

Limiti di pressione e di temperatura

(Senza prescrizioni speciali)

Impiego per tutti i liquidi, ad eccezione di acqua calda e liquidi diatermici organici.

Materiali di costruzione :
Construction materials :

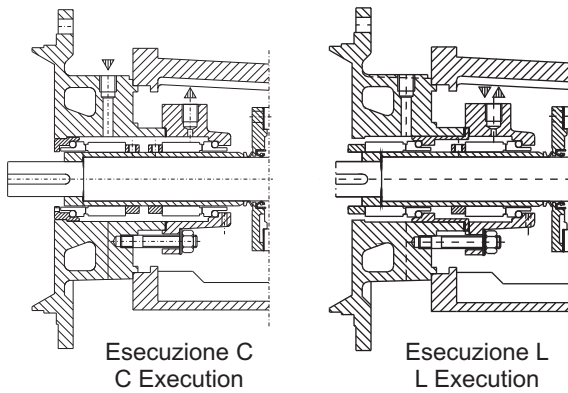

Pressure and temperature limits

(Without any special rule)

Suitable for every kind of liquids, apart from hot water and organic heat-transfer oils.

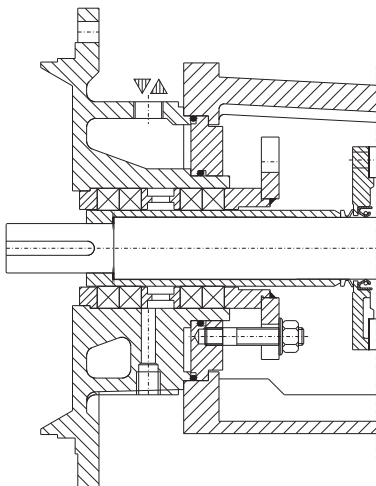

**LIMITI DI IMPIEGO
DUTY LIMITS**

Material	Temperature	Pressure
Ghisa	-20 +120	10 Bar
Acciaio	+120 +200	10 Bar
Material	Temperature	Pressure
Cast iron	-20 +120	10 Bar
Steel	+120 +200	10 Bar

Flussaggio tenuta meccanica doppia esecuzione C - L
Double mechanical seal flushing C - L exec.
